

Datasheet

Stock No: 682-573

ENGLISH

RS Pro Natural Polypropylene (PP) Sheet

Product Details:

Polypropylene Copolymer Plastic Stock

- Excellent physical characteristics for applications where heat resistance and impact strength are important
- Natural Colour

| | |
|---|----------------|
| Max. Service Temperature (Long Term) °C | 110°C |
| Elongation at Break | 10 -15% |
| Tensile Strength (MPa) | 27 |
| Hardness | R79 (Rockwell) |
| Flammability Rating | UL 94 HB |

Specifications:

| | |
|--------------------------------|-----------------------|
| Colour: | Natural |
| Length: | 995mm |
| Width: | 495mm |
| Thickness: | 6mm |
| Material: | Polypropylene |
| Density: | 0.91g/cm ³ |
| Tensile Strength: | 30 MPa |
| Hardness: | 80 Ball Indentation |
| Flammability Rating: | UL 94 HB |
| Water Absorption: | 0.03% |
| Maximum Operating Temperature: | +130°C |
| Elongation: | 50% |
