

PRODUCT PROFILE

edding 8011 cleanroom marker

Product text

- Cleanroom marker for permanent labelling of special cleanroom or laminated paper in dust-free environments
- The round nib has a stroke width of 0.6 mm
- The cleanroom marker ink is waterproof and wear-resistant, and can be removed from most slides using isopropanol
- Available in the colours black, red and blue
- Without any added xylene or toluene

Target group

- Professionals with special clean room requirements e.g. in the semiconductor production, the optical-, laser- and nano technology who need markers with outstanding attributes for different materials, surfaces and applications
- Users who need to deliver a professional result

Benefits for the consumer

- Extra fine stroke
- Low-dust product with fibre nib - without label
- Practical clip prevents rolling away and can be secured on clothes and objects
- Cap can be stored on the end of the barrel to prevent risk of losing it
- Ready to use
- High-quality brand product
